Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with the basis described in Note 6 "Basis of preparation of special purpose interim condensed consolidated financial statements". Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410 *Review* of *Interim Financial Information Performed by the Independent Auditor of the Entity*. A review of interim condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the interim condensed consolidated financial statements as at 30 September 2024 and for the three- and nine-month periods ended 30 September 2024 are not prepared, in all material respects, in accordance with the basis described in Note 6 "Basis of preparation of special purpose interim condensed consolidated financial statements".
