The Consent Solicitation begins on the date of this Memorandum. The Voting Deadline (as defined below) for the Consent Solicitation is 1:00 p.m. (London time) on 19 June 2023 unless it is extended by the Bank (see the section "*Amendment and Termination*" below).

The Bank has convened the Meeting of the Noteholders to consider and, if thought fit, to pass the Extraordinary Resolution in favour of the Proposals. The notice (the "Notice of the Meeting") convening the Meeting to be held via teleconference (using a video enabled platform) at 3:00 p.m. (London time) on 21 June 2023, at which the Extraordinary Resolution to approve the Proposals and their implementation will be considered and, if thought fit, passed, was published on 29 May 2023. A copy of the form of the

Notice of Meeting is set out in Annex A (*Form of Notice*) to this Memorandum. In accordance with the provisions of the Trust Deed, further regulations regarding the holding of the Meeting will be prescribed providing that the Meeting (and any adjourned Meeting) will be held via teleconference (using a video enabled platform). Accordingly, the Meeting (and any adjourned Meeting) will not be convened at a physical location. In such circumstances, those Noteholders who have indicated that they wish to attend the Meeting will be provided with further details about attending the Meeting (and any adjourned Meeting) via teleconference.

The Extraordinary Resolution contains certain Reserved Matters. Accordingly, to be passed, the Extraordinary Resolution must be passed at the Meeting duly convened and held in accordance with the provisions of Schedule 5 (*Provisions for Meetings of The Noteholders*) of the Trust Deed by the affirmative vote of holders of Notes present in person or represented by proxy or representative owning in aggregate not less than three quarters of the aggregate principal amount of the Notes owned by the Noteholders who are so present or represented at the Meeting or such adjourned Meeting. The quorum required at the Meeting shall be at least two persons holding Notes or being proxies or representatives and holding or representing not less than three quarters of the aggregate principal amount of the Notes for the time being outstanding. If any Meeting is adjourned through want of quorum, the quorum required at such adjourned Meeting shall be at least two persons present in person holding Notes and/or being proxies or representatives and holding or representing not less than one-quarter of the aggregate principal amount of the Notes for the time being outstanding.

To participate in the Consent Solicitation and consent to the Proposals, a Noteholder should deliver, or procure delivery on its behalf, a valid Voting Instruction voting in favour of, or against, the Proposals, to the Information and Tabulation Agent via e-mail at mkb@lcpis.ru by no later than the Voting Deadline. Only Noteholders who hold the Notes as of 14 June 2023 (the "Record Date") may submit a Voting Instruction. The delivery of a Voting Instruction will not affect a Noteholder's right to sell or transfer the Notes. A duly executed Voting Instruction shall bind the Noteholder executing the Voting Instruction, and any subsequent registered holder or transferee of the Notes to which such Voting Instruction relates. The Voting Instructions submitted by the Noteholders shall remain in full force in case of the Meeting's adjournment and be taken into account at determining the voting results at an adjourned Meeting.

Voting Instructions are irrevocable and may not be withdrawn, except in certain limited circumstances where the Bank determines that withdrawal is permitted by applicable law.

No consent fee shall be payable with respect to the Consent Solicitation.

Voting Instructions should be sent to the Information and Tabulation Agent by e-mail at mkb@lcpis.ru. In order to submit completed Voting Instructions, Noteholders are required to provide to the Information and Tabulation Agent by e-mail at mkb@lcpis.ru Proof of Holding as of the Record Date. Acceptable forms of Proof of Holding may include (i) a Statement of Account for the Purpose of Proof of Holding (a STAC) (as defined below) or screenshot from Euroclear, Clearstream, Luxembourg or DTC, or a statement of account or holdings report from a Direct Participant, or (ii) an extract or statement from any depositary or any other document or information which, in the opinion of the Bank, will sufficiently evidence the proof of holding with respect to the Notes, in each case confirming (a) the Euroclear, Clearstream, Luxembourg or DTC Direct Participant name and account number, (b) the full name or legal entity name of the Noteholder, (c) the security and/or ISIN held, and (d) the aggregate amount of the Notes held, or (iii) with respect to the Notes held through NSD or Other Russian Custodians (each as defined below) only, a statement of account or holdings reports from such other intermediary (including brokers, depositories, custodians and sub-custodians) being the immediate custodian of the account where the Notes are being held by the Noteholder submitting the Voting Instruction, in form and substance reasonably satisfactory to the Bank and subject to the Bank's right to waive the delivery of any of the documents or the satisfaction of any of the requirements specified above. Noteholders should contact their Euroclear, Clearstream, Luxembourg or DTC representative, and Noteholders who are not Direct Participants, shall contact their bank, securities broker or other intermediary through which they hold the Notes immediately to obtain proof of holding.

Noteholders may contact the Information and Tabulation Agent via e-mail at mkb@lcpis.ru if they require assistance.

After the Meeting, the Bank will announce the results of the Meetings. If the Extraordinary Resolution is duly passed at the Meeting duly convened and held in accordance with the Trust Deed and, with respect to the appointment of Limited liability company "Legal Capital Investor Services" as new trustee and the replacement of Citibank, N.A., London Branch as existing trustee, the Deed of Appointment is executed, the Proposals will become effective and binding on all the Noteholders, whether or not present or represented at the Meeting.

The Bank may, in their sole discretion, amend, extend or re-open the Consent Solicitation. All capitalised terms used herein shall have the meanings ascribed to them in the section "*Definitions*" below.

This Memorandum contains important information which should be read carefully before any decision is made with respect to the Consent Solicitation. If any Noteholder is in any doubt as to the action it should take or is unsure of the impact of its participation in the Consent Solicitation, it is recommended to seek an independent financial advice, including in respect of any tax consequences, immediately from its stockbroker, bank manager, solicitor, accountant or other independent financial or legal adviser. Any individual or company whose Notes are held on its behalf by a broker, dealer, bank, custodian, trust company or other nominee must contact such entity if it wishes to participate in the Consent Solicitation. The distribution of this Memorandum in certain jurisdictions as well as forwarding of this Memorandum to third parties may be restricted by law. None of the Issuer, the Bank, the Information and Tabulation Agent and the Trustee or their respective directors, officers, employees, affiliates, advisers or agents makes any recommendation as to whether Noteholders should consent to the Proposals, or refrain from taking any action in the Consent Solicitation with respect to their Notes, and none of them has authorised any person to make any such recommendation. The Information and Tabulation Agent is the agent of the Bank and owes no duty to any Noteholder, save where any of the employees of the Information and Tabulation Agent is duly appointed by a Noteholder as proxy, in which case, in his/her capacity as proxy, such employee does not act as agent of the Bank.

None of the Trustee, the Information and Tabulation Agent and any of its directors, officers, employees or affiliates expresses any opinion on the merits of, or makes any representation or recommendation whatsoever regarding, the Consent Solicitation or makes any recommendation whether Noteholders should consent to the Proposals. Neither the Issuer nor the Trustee has reviewed or approved, or will it review or approve, any documents relating to the Consent Solicitation, save, for the avoidance of doubt, the Trust Deed. None of the Trustee, the Issuer, the Information and Tabulation Agent, and any of their directors, officers, employees or affiliates, has verified, or assumes any responsibility for the accuracy or completeness of, any of the information concerning the Consent Solicitation, or the factual statements contained in, or the effect or effectiveness of, this Memorandum or any other documents referred to in this Memorandum or assumes any responsibility for any failure by the Bank to disclose events that may have occurred and may affect the significance or accuracy of such information or the terms of any amendment (if any) to the Consent Solicitation.

THE CONSENT SOLICITATION

Consent Solicitation

The Bank solicits Noteholders to consider and, if thought fit, to pass the Extraordinary Resolution in favour of the Proposals. To be passed in relation to the Notes, the Extraordinary Resolution must be passed at the Meeting duly convened and held in accordance with the provisions of Schedule 5 (*Provisions for Meetings of The Noteholders*) of the Trust Deed by the affirmative vote of holders of Notes present in person or represented by proxy or representative owning in aggregate not less than two-thirds in principal amount of the Notes owned by the Noteholders who are so present or represented at the Meeting or such adjourned Meeting. The quorum required at an original Meeting shall be one or more persons holding Notes or being proxies or representatives and holding or representing not less than two-thirds of the principal amount of the Notes for the time being outstanding. If a Meeting is adjourned through want of quorum, the quorum required at such adjourned Meeting shall be one or more persons present in person holding Notes and/or being proxies or representatives and holding or representing in aggregate not less than one-half in principal amount of the Notes for the time being outstanding. Only Noteholders who hold the Notes as of the Record Date may submit Voting Instructions.

Holders of the Notes who do not provide their Voting Instructions, or whose Voting Instructions are deemed to be invalid, will, if the Extraordinary Resolution relating to the Notes is passed, become bound by such Extraordinary Resolution and the Proposals will become effective and binding on all the Noteholders, whether or not present or represented at the Meeting. Noteholders who are not present or represented at the Meeting will not be entitled to any rights of appraisal or similar rights of dissenters (whether pursuant to the Trust Deed or otherwise) with respect to the adoption of the Proposals.

A holder of the Notes may vote in favour of or against the Extraordinary Resolution at the Meeting by delivering, or arranging to have delivered on its/his/her behalf of, one or more Voting Instructions by the Voting Deadline.

For a discussion of certain risks of continuing to hold the Notes following completion of the Consent Solicitation, see the section "*Risk Factors and Other Considerations*" below.

To participate in the Consent Solicitation and consent or object to the Proposals, a Noteholder should deliver, or arrange to have delivered on its behalf, a valid Voting Instruction voting in favour of, or against, the Proposals to the Information and Tabulation Agent via e-mail at mkb@lcpis.ru by no later than the Voting Deadline as more particularly described in the section "*Procedures for Participating in the Consent Solicitation*" below.

Voting Instructions submitted by the Noteholders are irrevocable and may not be withdrawn, except in certain limited circumstances where the Bank determines that withdrawal is permitted by applicable law, and the Voting Instructions shall remain in full force in case of the Meeting's adjournment and be taken into account at determining the voting results at an adjourned Meeting.

Neither the Bank nor the Information and Tabulation Agent is under any obligation to accept any Voting Instruction and shall have any liability to any person for any such non-acceptance. Voting Instructions may be rejected in the sole and absolute discretion of the Bank or by the Information and Tabulation Agent (acting on the Bank's written instruction to do so which is binding on the Information and Tabulation Agent) for any reason or for no reason, and neither the Bank nor the Information and Tabulation Agent is under any obligation to Noteholders to furnish any reason or justification for refusing to accept a Voting Instruction.

Proposals

The Proposals are set out in the section "*Summary of the Proposals*" below.

Expiration

The Consent Solicitation will expire on the Voting Deadline, unless the Bank, in its sole and absolute discretion, extends, re-opens, amends and/or terminates the Consent Solicitation (subject to applicable law, the provisions of the Trust Deed and as provided in this Memorandum). Details of any such extension, re-opening, amendment and/or termination will be announced as provided in this Memorandum as soon as reasonably practicable after the relevant decision is made (see the section "*Amendment and Termination*" below).

Announcements

The Bank expects to announce to the Noteholders the results of the Meeting as soon as reasonably practicable after the Meeting.

For further information relating to the Consent Solicitation and the further terms and conditions on which the Consent Solicitation is made, Noteholders should refer to the section "*Terms of the Consent Solicitation*" below.

Questions and requests on the procedural matters of the Consent Solicitation, including the delivery of a Voting Instruction, may be directed to the Information and Tabulation Agent via e-mail at mkb@lcpis.ru and questions and requests related to the nature of the Proposals may be directed to the Bank via e-mail at capital_markets@mkb.ru. All documentation relating to the Consent Solicitation, together with any updates, can be obtained in electronic copies from the Information and Tabulation Agent upon request via e-mail at mkb@lcpis.ru.

Before making a decision whether to give consent to the Proposals, Noteholders should carefully consider all of the information in this Memorandum and, in particular, the risk factors described in the section "Risk Factors and Other Considerations" below.

Accordingly, each person receiving this Memorandum acknowledges that such person has not relied upon the Issuer, the Bank, the Information and Tabulation Agent and the Trustee in connection with its decision as to whether to give its consent to the Proposals. Each such person must make its own analysis and investigations regarding the Consent Solicitation, with particular reference to its own investment objectives and experience, and any other factors which may be relevant to it. If such person is in any doubt about any aspect of the Consent Solicitation and/or the action it should take, including in respect of any tax consequences, it should consult its professional advisers.

None of the Information and Tabulation Agent, the Issuer and the Trustee, or their respective directors, officers, employees, affiliates, advisers or agents makes any representation or recommendation whatsoever regarding this Memorandum or the Consent Solicitation, and none of the Issuer, the Bank, the Information and Tabulation Agent, the Trustee, and their respective directors, officers, employees, affiliates, advisers or agents makes any recommendation as to whether Noteholders should consent to the Proposals, or refrain from taking any action in the Consent Solicitation with respect to their Notes, and none of them has authorised any person to make such recommendation. Neither the delivery of this Memorandum nor any acceptance of Consents shall, under any circumstances, create any implication that the information contained in this Memorandum is current as of any time subsequent to the date of such information or that there has been no change in the information set out in it, or in the affairs of the Issuer or the Bank since the date of this Memorandum.

No person has been authorised to give any information or to make any representation about the Issuer, the Bank and/or the Consent Solicitation other than as contained in this Memorandum and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer, the Bank, the Information and Tabulation Agent or the Trustee, or any of their respective directors, officers, employees, affiliates, advisers or agents.

RISK FACTORS AND OTHER CONSIDERATIONS

Before making a decision whether to consent to the Proposals, each Noteholder should carefully consider all of the information in this Memorandum, and, in particular, the following risk factors:

No obligation to accept Voting Instructions

Neither the Bank nor the Information and Tabulation Agent is under any obligation to accept any Voting Instruction and shall have any liability to any person for any non-acceptance of them. Voting Instructions may be rejected in the sole and absolute discretion of the Bank or by the Information and Tabulation Agent (acting on the Bank's written instruction to do so which is binding on the Information and Tabulation Agent) for any reason or for no reason, and neither the Bank nor the Information and Tabulation Agent is under any obligation to Noteholders to furnish any reason or justification for refusing to accept a Voting Instruction. For example, a Voting Instruction may be rejected if the Consent Solicitation is terminated, if the Bank determines that a Voting Instruction is not timely received or duly completed or if a Voting Instruction does not comply with the relevant requirements of a particular jurisdiction or for any other reason.

Completion, termination and amendment

Until the Bank announces that the Extraordinary Resolution has been passed, no assurance is given that the Consent Solicitation will be completed. In addition, subject to applicable law, the provisions of the Trust Deed and as provided in this Memorandum, the Bank may, in its sole and absolute discretion, extend, re-open, amend and/or terminate, or waive any of the conditions of, the Consent Solicitation at any time.

Responsibility for complying with the procedures of the Consent Solicitation

Noteholders are responsible for complying with all of the procedures for participating in the Consent Solicitation (including the delivery of Voting Instructions). None of the Issuer, the Bank, the Information and Tabulation Agent and the Trustee assumes any responsibility for informing any Noteholder of irregularities with respect to such Noteholder's participation in the Consent Solicitation, including any errors or other irregularities, manifest or otherwise, in any Voting Instruction.

The Bank reserves the right, in its sole and absolute discretion, to waive any defects, irregularities or delays in connection with deliveries of Voting Instructions.

If Notes are held through a broker, dealer, commercial bank, trust company or other nominee, such entity may require the relevant Noteholder to take action with respect to the Consent Solicitation a number of days before the Voting Deadline in order for such entity to consent to the Proposals on behalf of the relevant Noteholder on or prior to the Voting Deadline.

Voting Instructions irrevocable

Every Voting Instruction is irrevocable, except in certain limited circumstances where the Bank determines that withdrawal is permitted by applicable law.

Responsibility to consult advisers

Each Noteholder is solely responsible for making its own independent appraisal of all matters as such Noteholder deems appropriate (including those relating to the Consent Solicitation), and each Noteholder must make its own decision as to whether to consent to the Proposals.

None of the Issuer, the Bank, the Information and Tabulation Agent, the Trustee, and their respective directors, officers, employees, affiliates, advisers or agents makes any recommendation as to whether Noteholders should consent to the Proposals, or refrain from taking any action in the Consent Solicitation with respect to their Notes, and none of them has authorised any person to make any such recommendation. The Information and Tabulation Agent is the agent of the Bank and owes no duty to any Noteholder, save where any of the employees of the Information and Tabulation Agent is duly appointed by a Noteholder as proxy, in which case, in his/her capacity as proxy, such employee does not act as agent of the Bank.

Noteholders should consult their own tax, accounting, financial and legal advisers regarding the suitability to themselves of the tax, accounting, financial and/or legal consequences of consenting to the Proposals. None of the Issuer, the Bank, the Information and Tabulation Agent and the Trustee, has made or will make any assessment of the merits of the Consent Solicitation or of the impact of the Consent Solicitation on the interests of Noteholders either as a class or as individuals. Noteholders are liable for their own taxes and have no recourse to the Issuer, the Bank, the Information and Tabulation Agent or the Trustee with respect to taxes arising in connection with the Consent Solicitation.

No indication of future intentions of the Issuer and the Bank

The initiation of the Consent Solicitation by the Bank should not be taken as any indication of any future intentions of the Issuer or the Bank with respect to the Notes.

If the Extraordinary Resolution is passed, the Proposals will be binding on all holders of the Notes, including those Noteholders who do not consent to the Proposals and who are not present at the Meeting

If the Extraordinary Resolution is passed, all holders of the Notes will be bound by such Extraordinary Resolution, whether or not such Noteholder validly delivered respective Voting Instructions or otherwise affirmatively objected to the Proposals. The holders of the Notes who do not consent to the Proposals or who do not participate in the Consent Solicitation will be bound by the Extraordinary Resolution (on the terms set forth in this Memorandum).

The appointment of Limited liability company "Legal Capital Investor Services" as new trustee and the replacement of Citibank, N.A., London Branch as existing trustee, is subject to, in addition to the Extraordinary Resolution being passed, the execution of the Deed of Appointment by the parties thereto.

Implementation of the Proposals depends on third parties and is subject to changes in law and imposition of sanctions

The implementation of the Extraordinary Resolution and the Proposals approved thereby requires cooperation of third parties over which the Issuer and the Bank have no control, including, without limitation, the Clearing Systems, the Trustee, the Principal Paying Agent and the Registrars. Failure of such parties to cooperate in such implementation (including, without limitation, their refusal to accept notices envisaged by the Proposals or act on them) may result in the Proposals not achieving the desired result in full or in part (see the section "*Rationale for the Consent Solicitation*" in the section "*Terms of the Consent Solicitation*", for more detail in relation to the matters that the Proposals are aimed to address).

Furthermore, even if the necessary cooperation is achieved, the effectiveness of the Proposals is ultimately subject to any future changes in applicable laws, including, without limitation, passing of new, or amendment of the existing, regulations by the Competent Russian Authorities and/or the Competent Foreign Authorities, or any changes in policies of the Clearing Systems, all of which is beyond the Bank's or the Issuer's control.

Making of payments under the Notes may require approvals from competent Russian authorities

In light of the exchange control measures introduced by the Russian authorities and aimed at restricting the outflow of foreign currency and capital from Russia, which, *inter alia*, impose various restrictions on transacting with non-Russian parties (including, among others, restrictions on cross-border lending and distribution of dividends by Russian residents to non-residents, as well as restrictions on the service of existing debt owed by Russian residents to non-residents as well as restrictions on payments to the nominal accounts of holders of Eurobonds holding the relevant securities through non-Russian custodians) and prohibitions of exports of certain goods, the Bank would be required to obtain approval(s) from the Competent Russian Authorities to make some of the payments in accordance with the Alternative Payment Method. The granting of such approvals is subject to certain conditions and can generally be delayed or withheld, and neither the Issuer nor the Bank has any influence thereon.

In a situation where the required approval from the Competent Russian Authorities are not granted for any reason, the Bank may not be able to effect or procure payments in accordance with the terms of the Notes. If approvals from the Competent Russian Authorities are not granted, some of the methods of payments under the Notes would not be available which, in turn, could affect the performance under the Loan by the Bank and under the Notes by the Issuer, respectively.

Sanctions on the Bank might affect due performance by the Bank of its payment obligations

The Bank is a Sanctions Restricted Person and is subject to, without limitation, to the OFAC sanctions, the EU sanctions and the OFSI sanctions. In particular, the Bank was added to the SDN list on 24 February 2023. As the Bank is a Sanctions Restricted Person, it might negatively impact and affect (i) the ability of the Bank to transfer any funds to the Issuer under (or in connection with) the Loan Agreement; and/or (ii) the performance by the Issuer of its payment obligations in relation to the Notes and by the Bank of its payment obligations in relation to the Loan; and /or (iii) the making by the Bank of any payments under, or the making by any other person designated by the Bank of such payments, in each case under the Alternative Payment Method.

TERMS OF THE CONSENT SOLICITATION

1. General

The Bank solicits the Noteholders to consider and, if thought fit, to pass the Extraordinary Resolution in favour of the Proposals.

The Extraordinary Resolution contains certain Reserved Matters. Accordingly, to be passed, the Extraordinary Resolution must be passed at the Meeting duly convened and held in accordance with the provisions of Schedule 5 (*Provisions for Meetings of The Noteholders*) of the Trust Deed by the affirmative vote of holders of Notes present in person or represented by proxy or representative owning in aggregate not less than three quarters of the aggregate principal amount of the Notes owned by the Noteholders who are so present or represented at the Meeting or such adjourned Meeting. The quorum required at the Meeting shall be at least two persons holding Notes or being proxies or representatives and holding or representing not less than three quarters of the aggregate principal amount of the Notes for the time being outstanding. If any Meeting is adjourned through want of quorum, the quorum required at such adjourned Meeting shall be at least two persons present in person holding Notes and/or being proxies or representatives and holding or representing not less than one-quarter of the aggregate principal amount of the Notes for the time being outstanding.

To participate in the Consent Solicitation and consent to the Proposals, a Noteholder should deliver, or arrange to have delivered on its behalf, a valid Voting Instruction voting in favour of, or against, the Proposals to the Information and Tabulation Agent by no later than the Voting Deadline. Only Noteholders who hold the Notes as of the Record Date may submit a Voting Instruction. The Voting Instructions submitted by the Noteholders shall remain in full force in case of the Meeting's adjournment and be taken into account at determining the voting results at an adjourned Meeting.

If the Extraordinary Resolution is duly passed at the Meeting duly convened and held in accordance with the Trust Deed and, with respect to the appointment of Limited liability company "Legal Capital Investor Services" as new trustee and the replacement of Citibank, N.A., London Branch as existing trustee, the Deed of Appointment is executed, the Proposals will become effective and binding on all the Noteholders, whether or not present or represented at the Meeting.

None of the Information and Tabulation Agent, the Trustee and the Issuer expresses any opinion as to the merits of the Consent Solicitation or the Proposals (which it was not involved in negotiating). It is recommended that the Noteholders carefully read this Memorandum. Neither the Trustee nor the Issuer has been involved in formulating the Consent Solicitation or the Proposals and it makes no representation that all relevant information has been disclosed to Noteholders in this Memorandum and it has not reviewed or verified the information provided in this Memorandum. Accordingly, the Noteholders who are in any doubt as to the impact of the implementation of the Proposals are strongly recommended to seek their own independent financial advice.

2. Rationale for the Consent Solicitation

2.1 Background to the Proposals

- (A) The extensive sanctions and other restrictive measures, including the full blocking sanctions, have been introduced by, amongst others, the U.S., the EU and the UK against Russia, the Bank and various Russian entities (such as the NSD). In addition, and as part of the measures to stabilise and support the Russian financial and currency markets, the Competent Russian Authorities have introduced a permit-based system in respect of payments from residents of the Russian Federation to payees in certain jurisdictions.

Accordingly, due to the Bank having been included in the SDN List and otherwise being a Sanctions Restricted Person, the Bank may not be able to repay interest or principal to the Issuer under the Loan and, consequently, the Issuer would not be able to make an onward payment under the Notes in accordance with the original terms of the Notes. In addition, any payment of interest or principal under the Loan made by the Bank or received from the Issuer or the Bank by the Principal Paying Agent will most likely be

blocked, delayed or frozen for an uncertain period of time and, consequently, those funds will not be distributed among the Noteholders.

(B) The Bank assures that:

- (a) notwithstanding the significant costs and expenses it bears in this regard and practical obstacles and difficulties for making payments abroad, it is currently exploring all legal means how to ensure the realisation of equal rights among all Noteholders (both residents and non-residents); and
- (b) it has sufficient financial resources and will duly perform its payment obligations in relation to the Notes subject to all applicable laws and receipt of all required approvals.

(C) In light of the above, the Bank is seeking the Noteholders' approval of each of the Proposals. The Bank believes that if the Proposals are not approved by the Extraordinary Resolution, then (i) the ongoing interruptions relating to the clearing and settlement infrastructure may continue to restrict payments under the Notes which is likely to prejudice the rights of the Noteholders and may constitute a Potential Event of Default, an Event of Default or a Relevant Event under the Loan Agreement or the Trust Deed, as applicable, which, in turn, might have a material adverse effect on the Noteholders; and (ii) the Noteholders will not have a trustee which is fully functioning and which could continue to protect the rights and interest of the Noteholders under the Notes in full.

2.2 Summary of the Proposals

Set forth below is a summary of the Proposals for which consents are being sought pursuant to this Memorandum. This summary is not purported to be an exhaustive list of all Proposals. The Noteholders should, in addition to the summary, read the full text of each of the Loan Agreement Amendment Agreement and the Trust Deed Amendment Agreement.

2.2.1 Introduction of the alternative payment method

The Bank proposes that the Bank shall make any payment of principal, interest or other amounts under the Loan and the Notes or procure that such payment of principal, interest or other amounts is made in the manner set out in paragraph (A) "*Alternative Payment Method*" or paragraph (B) "*Payments in accordance with original Conditions*" below, but in each case subject to paragraph (C) "*General*" below (including, through a combination of such options, provided that each such option can be used in relation to some or all of the Notes or some or all of the Noteholders, in each case as determined in the sole and absolute discretion of the Issuer and/or the Bank).

The Bank notes that clause 6.3 (*Alternative payment arrangements*) of the Loan Agreement provides for the right of the Bank to agree with the Lender on alternative arrangements for payments under the Loan in the circumstances when to make such payments in accordance with the conditions of the Loan Agreement is impracticable by reason of any action of any governmental authority or any change of law, exchange control regulations or any similar event.

(A) Alternative Payment Method (the "**Alternative Payment Method**")

Under the direct payment option, a payment of interest or principal under Notes to any Noteholder who, as of the relevant record date for such payment, holds such Notes:

- (i) through NSD or the Other Russian Custodians (including those Noteholders who have arranged for their Notes to be transferred to an account with any Other Russian Custodian by the relevant record date for payment); or
- (ii) through a foreign nominee holder and has elected, by application to the Bank (which application shall be irrevocable (unless otherwise agreed by the Bank in writing) and shall include a statement from that Noteholder confirming whether it/he/she intends to provide the documents supporting reliance on the withholding tax exemption (if any) as set out in limbs 1 – 3 below) delivered no later than thirty (30) calendar days from the relevant record date for payment (the last day of such period being the

"Documents Cut-Off Date"), for payments to be made to a Rouble account opened in the name of that Noteholder with the Bank (a **"Personal Rouble Account"**) or another Rouble account opened in the name or to the benefit of some or all of the Noteholders or beneficial owners of the Notes with the Bank (the **"Another Rouble Account"**),

may be made by the Bank (x) with respect to paragraph (i) above, through NSD or the relevant Other Russian Custodian, as applicable; or (y) with respect to paragraph (ii) above, directly, in each case in Roubles at the Central Bank of Russia foreign exchange rate as of the date of the payment.

Any payment in accordance with paragraph (ii) above shall be made to a Noteholder no later than ninety (90) calendar days from the relevant record date for payment (such period above being a **"Payment Period"**) (provided that the relevant Noteholder delivers to the Bank the Proof of Holding in an Agreed Form) as of the relevant record date for payment, the details of the relevant Personal Rouble Account (where the payment is to be made to such Personal Rouble Account), the identification documents set out below and other documents as may be reasonably requested by the Bank (the **"Payment CPs"**) by the Documents Cut-Off Date, failing which the amounts payable to such Noteholder shall be payable in accordance with the original Conditions, subject to the terms of the Extraordinary Resolution.

In the circumstances referred to in paragraph (i) or paragraph (ii) above, with effect on and from the date when the relevant funds are debited from the Bank's account, the relevant payment obligations of the Issuer under the Notes (and the corresponding payment obligations of the Borrower under the Loan) would be automatically discharged *pro tanto* to the amount of such debited funds.

- paragraph (ii) above within the Payment Period from the relevant record date for payment shall, at all times, be subject to the relevant account being opened, and
- the original Conditions in the event that the Bank cannot make or arrange for payments in accordance with paragraph (i) or (ii) above within the Payment Period due to the absence of all relevant approvals, consents, licences and authorisations from the Competent Russian Authorities and Competent Foreign Authorities for such payment or due to any applicable laws or regulations not permitting such payment, in each case shall not constitute or be treated as a Relevant Event, Potential Event of Default or Event of Default, and no default interest shall accrue on such payment and, to the extent such payment constitutes an interest payment, no other interest shall accrue on such interest payment;

(II) only the Noteholders holding Notes as of the relevant record date for payment shall be entitled to receive payments in accordance with the Alternative Payment Method; and

(III) the Bank shall have the sole and absolute discretion to waive any Payment CP or elect to open or procure the opening of a Personal Rouble Account or the Another Rouble Account in the name of, or to the benefit of, any Noteholder, subject to all applicable laws.

The set of documents to avoid or minimise any withholding on payments to Noteholders in accordance with the method of payment set out in paragraph 2.2.1(A)(i) above is the discretion of NSD or Other Russian Custodians with which it holds the Notes and the relevant Noteholders shall engage with NSD or Other Russian Custodians, either directly or through their brokers, sub-custodians or other financial intermediaries, to obtain the same.

To avoid or minimise any withholding on payments to Noteholders in accordance with the method of payment set out in paragraph 2.2.1(A)(ii) above, as required by the tax legislation of the Russian Federation:

The set of documents mentioned in limbs 1 – 3 above and/or elsewhere in this paragraph 2.2.1 related to taxation is subject to any adjustment as a result of changes in tax legislation of the Russian Federation. In the event of such changes giving rise to the adjustment of the list of documents, the Bank shall notify the Noteholders accordingly or otherwise communicate it to the Noteholders concerned prior to the relevant payment date.

The Bank shall bear no liability whatsoever for Noteholder's inability or failure to provide the documents specified above and shall have no obligation to increase the amount payable to such Noteholder to reimburse any amounts withheld or deducted on account of any tax as a result of any of the above documents not being provided or delivered in the form other than as set out above or otherwise in connection with payments to Noteholders being made in accordance with the Alternative Payment Method.

The Bank will use its reasonable endeavours to engage with the Competent Russian Authorities to procure approvals to allow (i) the non-Russian Noteholders to transfer the funds in Roubles to the accounts from which it would be possible to convert them into foreign currencies and repatriate; or (ii) payments to be made to the non-Russian Noteholders to the unrestricted Russian bank accounts, however, no assurance can be given that such approvals will be granted.

Such payments shall be made or procured by the Bank subject to and only after all relevant approvals, consents, licences and authorisations from the Competent Russian Authorities and Competent Foreign Authorities required for such payments to be made in accordance with the original Conditions are obtained to the satisfaction of the Bank. In these circumstances, such payments are to be made by the date which is ten (10) Business Days after the expiry of the applicable grace period for such payment which grace period starts to run from the date on which the Bank determines in its sole discretion and to its satisfaction that all such approvals, consents, licences and authorisations are obtained and the Bank's payment obligations under the Loan would be discharged when the funds are debited from the Bank's account.

Should any such approval, consent, licence or authorisation not be granted by the relevant record date for payment, the Noteholders concerned shall apply therefor themselves or procure such application on their behalf to secure the receipt of the payments made by the Bank in performance of its payment obligations in accordance

with the original Conditions and no delay in making or receiving payments under the Notes occasioned by the procurement of such approvals, consents, licences and authorisations, or the payment by the Bank by the date which is ten (10) Business Days after the expiry of the applicable grace period for such payment which grace period starts to run from the date on which the Bank determines in its sole discretion and to its satisfaction that all approvals, consents, licences and authorisations are procured and all applicable laws and regulations permit such payment, shall constitute or be treated as a Relevant Event, Potential Event of Default or Event of Default and no default interest shall accrue on such payment and, to the extent such payment constitutes an interest payment, no other interest shall accrue on such interest payment.

The Bank shall make or arrange for the respective payments only after such Noteholders provide sufficient evidence that all necessary approvals, consents, licences and authorisations from the Competent Russian Authorities and Competent Foreign Authorities have been obtained and that respective laws and regulations expressly authorise the processing of payments (including, but not limited to, their distribution via the Clearing Systems) in accordance with the original Conditions, in each case in form and substance to the satisfaction of the Bank.

The Bank will use its reasonable endeavours to procure approvals, consents, licences and authorisations to allow the transfer of the funds in the currency of the Notes to the Noteholders receiving payments in accordance with the original Conditions to their bank accounts outside Russia, however, no assurance can be given that such approvals, consents, licences and authorisations will be granted.

Any payment made in accordance with the Alternative Payment Method shall be renounced immediately upon the relevant payment being made, of which the Issuer and/or the Bank, acting reasonably and in good faith, shall notify the Principal Paying Agent and/or the Clearing Systems specifying the details of the Notes in respect of which payments have been made or have been procured to be made payment in accordance with the Alternative Payment Method and the place of their safekeeping, and no relevant payments will remain due on such Notes and no such payment can be claimed from the Issuer or the Bank by the Noteholders concerned. The Principal Paying Agent and/or the Clearing Systems will bear no liability for having relied upon or acted in accordance with such notification sent by the Issuer or the Bank.

2.2.2 Deferral of payment of September 2022 Interest Amount and March 2023 Interest Amount, waiver of related breaches and discharge of certain obligations

- (A) On 21 March 2022, the Issuer paid interest under the Notes in full in accordance with the Conditions (the "**March 2022 Interest Amount**"). However, due to Euroclear having ceased at the time to carry out transactions involving NSD, including processing of any payments under (or in connection with) the Notes, such as interest payments, which are due to be on-paid by Euroclear to (or through) NSD, part of the March 2022 Interest Amount that was due to be on-paid by Euroclear to (or through) NSD has been frozen by Euroclear on the account of NSD.

In addition, with a view for the Bank and the Issuer to perform their obligations under the Notes at least to some of the Noteholders to the maximum extent possible in light of these actions of Euroclear (and not related to the Bank's or the Issuer's solvency), the Bank has paid interest under the Notes in full for the account of all holders of the Notes that (according to the information from NSD and the relevant Other Russian Custodians) at the relevant record date were recorded on an account with NSD or such Other Russian Custodians, as applicable (the "**Designated Noteholders**") as follows:

- (a) interest that was due and payable under the Notes on 21 September 2022 (after giving effect to the following Business Day convention) (the "**September 2022 Interest Amount**") was paid by the Bank in roubles:

(i) to NSD, on 21 September 2022; and

(ii) to the Other Russian Custodians, on 28 September 2022,

in each case for the account of the respective Designated Noteholders; and

- (b) interest that was due and payable under the Notes on 21 March 2023 (after giving effect to the following Business Day convention) (the "**March 2023 Interest Amount**") was paid by the Bank in roubles (each interest payment in roubles referred to in this paragraph (b) or paragraph (a) above being a "**Rouble Interest Payment**"):
- (i) to NSD, on 28 March 2023 and, in addition, on 31 March 2023; and
 - (ii) to the Other Russian Custodians, on 28 March 2023 and, in addition, on 31 March 2023,
- in each case for the account of the respective Designated Noteholders.
- (B) In light of the freeze by Euroclear of part of the March 2022 Interest Amount to the extent it was payable to (or through NSD) and, in addition, the non-payment by the Bank and the Issuer of each of the September 2022 Interest Amount and the March 2023 Interest Amount to all Noteholders in full due to the significant real risk that at least part of that payment would be blocked by Euroclear, the Bank is seeking the Noteholders' approval to:
- (a) defer (the "**Deferral**") the payment of part of the September 2022 Interest Amount and the March 2023 Interest Amount, to the extent such part has not been paid by the Bank or the Issuer (including through NSD and/or any Other Russian Custodian), to the date which is:
 - (i) if such payment is made in accordance with the Alternative Payment Method, a date within the period of ninety (90) calendar days after the Extraordinary Resolution is passed, provided that the Payment CPs to such payment have been met (and other supporting documents have been delivered to the Bank) to the satisfaction of the Bank; or
 - (ii) if any Noteholders are not eligible for, or have failed to properly apply for (including to duly deliver the Payment CPs or other supporting documents), the payment under paragraph (i) above in accordance with the Alternative Payment Method, ten (10) Business Days after the date on which the Bank determines in its sole discretion and to its satisfaction that all relevant approvals, consents, licences and authorisations from the Competent Russian Authorities and Competent Foreign Authorities required for such payment to be made in accordance with the original Conditions have been obtained to the satisfaction of the Bank (in which case Bank's and the Issuer's payment obligation with respect to that part of the September 2022 Interest Amount and the March 2023 Interest Amount) would be discharged when the relevant funds are debited from the Bank's account,
- in each case provided that the record date for the payment of the September 2022 Interest Amount shall be 20 September 2022 and the record date for the payment of the March 2023 Interest Amount shall be 20 March 2023, and further provided that no additional or default interest shall be payable in connection with the Deferral;
- (b) to waive (the "**Waivers**") each Relevant Event, Potential Event of Default and Event of Default that might have occurred as a result of:
 - (i) any Noteholder not having received any part of the March 2022 Interest Amount as a result of the freeze by Euroclear of part of the March 2022 Interest Amount to the extent it was payable to (or through NSD);
 - (ii) the Bank and the Issuer not having paid the September 2022 Interest Amount and the March 2023 Interest Amount in full when due;
 - (iii) the Bank having paid part of the September 2022 Interest Amount and the March 2023 Interest Amount for the account of the relevant Designated Noteholders (as described in paragraph (A) above) in roubles rather than U.S. dollars; and

(iv) any failure to deliver (or delay in delivering) any relevant notices and/or failure to post (or delay in posting) any relevant announcements, in each case in connection with any of the foregoing; and

(c) to consent and agree that:

(i) any claims of a Noteholder (and all obligations of the Issuer under the Notes and the corresponding obligations of the Bank under the Loan) whatsoever with respect to the March 2022 Interest Amount, shall be deemed to have been discharged in full; and

(ii) to the extent a Rouble Interest Payment was made by the Bank to NSD or any Other Russian Custodian (as the case may be) for the account of a Designated Noteholder with respect to the September 2022 Interest Amount and the March 2023 Interest Amount (as applicable) due to that Designated Noteholder, any claims of such Designated Noteholder (and all obligations of the Issuer under the Notes and the corresponding obligations of the Bank under the Loan) whatsoever with respect to the September 2022 Interest Amount and the March 2023 Interest Amount (to the extent due (but for that Rouble Interest Payment) to that Designated Noteholder), including with respect to currency indemnity, shall be deemed to have been discharged in full,

(the discharges in sub-paragraphs (i) and (ii) above are jointly referred to as the "**Discharge**").

2.2.3 Extension of Grace Period

In light of the actions to be taken in order to ensure the making of payments in relation to the Notes in the current environment and the timing thereof as well as due to the significant uncertainty relating to the processing of cross-border payments relating to the indebtedness of companies having operations in Russia and regulatory constraints and delays recently experienced by Russian companies attempting to make payments under their bonds and loans, the Bank is seeking the Noteholders' approval to increase the grace period for the payment of principal, interest and other amounts under the Loan and the Notes from five Business Days to ninety (90) calendar days.

2.2.4 Simplified cancellation of Notes ("**Simplified Cancellation of the Notes**")

The Bank has reasons to believe that due to the disruptions of the Notes' clearing and settlement infrastructure and restrictions introduced by the Clearing Systems, there exists a significant risk with respect to the Notes acquired or to be acquired by the Issuer, the Bank or any of the Bank's subsidiaries or any person acting on behalf of and at the request of the Borrower which under the terms of the Notes are eligible to be cancelled, that the relevant cancellation may not in practice be processed by the Clearing Systems and/or the relevant Agents.

Therefore, the Bank proposes to determine by the Extraordinary Resolution that any Notes held or acquired by the Issuer, the Bank or any of the Bank's subsidiaries or any person acting on behalf of and at the request of the Borrower, and not having been cancelled in accordance with the Conditions and designated by the Bank in writing (the "**Designated Notes**") shall be, upon such written designation by the Bank, treated as cancelled for all purposes and shall be disregarded when calculating and making payments under the Notes and that the corresponding amount of the Loan shall be automatically extinguished, and that it will not be required to deliver any Designated Notes to any Agent or any Clearing System to give effect to the cancellation of such Designated Notes. In addition, in any event, no interest shall accrue on, and no principal amount shall be payable in respect of any Designated Notes, from (and including) the date of the designation of such Notes as Designated Notes by the Bank in writing.

The Bank notes that Conditions 6 (G) (*Purchase of Notes*) and 6 (H) (*Cancellation of Notes*) already provide for the right of, *inter alios*, the Issuer and the Bank to request cancellation of Notes purchased by the Issuer, the Bank or any subsidiary of the Bank and, therefore, the Bank believes that this Proposal should not affect the rights and interests of Noteholders, while enabling cancellation of the Notes that are purchased or may be purchased by the Issuer, the Bank or any of the Bank's subsidiaries, which has become void due to the current restrictions.

2.2.5 Removal of Trustee and Appointment of New Trustee

Pursuant to the Council Regulation (EU) No. 833/2014 of 31 July 2014 (as amended) and the other international sanctions against Russia and various Russian entities, the Trustee is no longer permitted and able to act as trustee with respect to the Notes. The Bank is committed to ensuring that a trustee with respect to the Notes remains in place so that the Noteholders' rights are not prejudiced in any respect by the absence of such a trustee. Therefore, the Bank proposes to vest the power of appointing new trustees in the Bank (and any such appointment by the Bank shall be the valid appointment of trustee with respect to the Notes notwithstanding any provision of the Trust Deed or any other agreement or document with respect to the Note to the contrary), to waive permanently the requirement of clause 24.1 of the Trust Deed that a trustee with respect to the Notes shall be a Trust Corporation, without limitation, to allow for the legal and valid appointment of the New Trustee as trustee with respect to the Notes, and to remove the Trustee as trustee and appoint the New Trustee as trustee, in each case with respect to the Notes, in each case with effect on and from the date of the Deed of Appointment.

2.2.6 Powers of Bank

Pursuant to the Council Regulation (EU) No. 833/2014 of 31 July 2014 (as amended) and the other international sanctions against Russia and various Russian entities, the directors and the secretary of the Issuer are no longer permitted and able to perform their roles and functions in these capacities. As a result, the Issuer is *de facto* a non-functioning entity. At the same time, each of the Trust Deed and the Conditions provides for certain approvals, consents and other actions of the Issuer to be passed, granted and taken (as applicable) from time to time.

Therefore, the Bank proposes that to the extent the Trust Deed and/or the Conditions provides for approval, consent or other action of the Issuer, such approval can be granted, such consent can be passed and such other action can be taken, as applicable, by the Issuer or the Bank (rather than solely by the Issuer) and each such approval, consent and other action of the Bank shall have the same legal consequences and shall be binding on all the Noteholders as if it were granted, passed or taken (as applicable) by the Issuer.

2.2.7 Loan Agreement Amendment Agreement and Trust Deed Amendment Agreement

For the purpose of, amongst other things, giving effect to the Proposal set out in the summary of the Proposals above certain amendments and modifications are required to be made to each of the Trust Deed and the Loan Agreement. Therefore, the Bank proposes to approve the execution of each of the Loan Agreement Amendment Agreement and the Trust Deed Amendment Agreement by the parties thereto.

3. Terms of the Proposals

3. To acknowledge and agree that (i) the provisions of the Alternative Payment Method and the Simplified Cancellation of Notes shall prevail over (and shall deem to amend and restate accordingly) the respective terms of the Agency Agreement and to the extent such terms contradict (but for such deemed amendment and restatement) the Amended Payment Method or the Simplified Cancellation of Notes; and (ii) the provisions of the Alternative Payment Method, or any payments made in accordance therewith or actions taken in reliance thereon, shall in no event constitute and/or be treated as a Relevant Event, Potential Event of Default or Event of Default; and (iii) the making of any payments in accordance with the Alternative Payment Method is subject to all applicable laws and the procurement of all relevant approvals, consents, licences and authorisations from the Competent Russian Authorities and Competent Foreign Authorities as may be required on the relevant payment date.

6. To approve and agree that, in addition to the Issuer, the Bank shall be vested with the power of appointing new trustee (and any such appointment by the Bank shall be the valid appointment of a trustee with respect to the Notes notwithstanding any provision of the Trust Deed to the contrary), to waive the requirement of clause 24.1 of the Trust Deed that a trustee with respect to the Notes should be a trust corporation, to authorise the Issuer, the Bank and the New Trustee to execute the Deed of Appointment to allow the legal and valid appointment of Limited liability company "Legal Capital Investor Services" as new trustee under the Notes and the removal of Citibank, N.A., London Branch as existing trustee with respect to the Notes, in each case with effect on and from the date of the Deed of Appointment.
7. To authorise, direct, ratify, sanction, request, instruct and empower the Trustee and the New Trustee to concur in and, without the need for any further consent or approval, to take steps as may be necessary or desirable in the Trustee's or the New Trustee's sole discretion to carry out and give effect to the Proposals approved by this Extraordinary Resolution and to refrain from taking any steps which may conflict with, or be prejudicial to, the Proposals.

8. To discharge, indemnify and exonerate the Bank, the Issuer, the Trustee, the New Trustee, each Agent (as the case may be) from all liability for which it may have become or may become responsible under the Conditions, the Loan Agreement, the Agency Agreement and the Trust Deed (jointly referred to as the "**Transaction Documents**"), or the Notes in respect of any act or omission in connection with this Extraordinary Resolution or its implementation.

11. To irrevocably waive any claim that the Noteholders may have against the Bank, the Issuer, the Trustee, the New Trustee or the Principal Paying Agent (as the case may be) arising as a result of any loss or damage which it may suffer or incur as a result of the Bank, the Issuer, the Trustee, the New Trustee, the Principal Paying Agent (as the case may be) acting upon this Extraordinary Resolution (including but not limited to circumstances where it is subsequently found that there is a defect in the passing of this resolution or that this resolution is not valid or binding on the Noteholders) and confirm that the Noteholders will not seek to hold the Bank, the Issuer, the Trustee, the New Trustee, the Principal Paying Agent (as the case may be) liable for any such loss or damage.
12. 13. To waive any actual or potential breaches of any Transaction Documents and any deficiencies that might formally occur as a result of this Extraordinary Resolution being adopted on the basis of the procedures set out in the Memorandum (including the requirement that every meeting of the Noteholders shall be convened by the Issuer or the Trustee, shall be held at such time and place as the Trustee may appoint or approve and the procedures for convening the meeting of the Noteholders, holding thereof and voting thereat) and ratify any and all such breaches and/or deficiencies and instruct the New Trustee to waive the same and treat this Extraordinary Resolution as a valid one despite any such breaches or deficiencies having occurred.
14. To resolve that terms used but not defined in this Extraordinary Resolution shall have the meanings ascribed to them in the Memorandum.

The Information and Tabulation Agent is the agent of the Bank and owes no duty to any Noteholder, save where any of the employees of the Information and Tabulation Agent is duly appointed by a Noteholder as proxy, in which case, in his/her capacity as proxy, such employee does not act as agent of the Bank. **CREDIT BANK OF MOSCOW (public joint-stock company)
("MKB" or the "Bank")**

NOTICE OF CONSENT SOLICITATION AND RESPECTIVE MEETING

On 29 May 2023, MKB announces the solicitation of consents (the "**Consent Solicitation**") of the holders (the "**Noteholders**") of the following outstanding notes (the "**Notes**") issued by, but with limited recourse to, CBOM Finance p.l.c. (the "**Issuer**") for the sole purpose of financing the corresponding loans to the Bank:

No.	Title of Security	ISIN	Aggregate Principal Amount Outstanding
1.	U.S.\$500,000,000 7.121 per cent. Loan Participation Notes due 2024 (the " CBOM-24 USD Notes ")	XS1964558339 (Reg S) US12504PAG54 (Rule 144A)	U.S.\$ 217,270,000
2.	U.S.\$600,000,000 4.700 per cent. Loan Participation Notes due 2025 (the " CBOM-25 USD Notes ")	XS2099763075 (Reg S) US12504PAH38 (Rule 144A)	U.S.\$ 541,000,000
3.	U.S.\$ 500,000,000 3.875 per cent. Loan Participation Notes due 2026 (the " CBOM-26 USD Notes ")	XS2384475930 (Reg S) US12504PAJ93 (Rule 144A)	U.S.\$ 500,000,000

The Bank is soliciting consents of the Noteholders to consider and, if thought fit, pass an extraordinary resolution under each of the CBOM-24 USD Notes, the CBOM-25 USD Notes and the CBOM-26 USD Notes (jointly referred to as the "**Extraordinary Resolutions**") in accordance with the provisions of Schedule 5 (*Provisions for Meetings of The Noteholders*) of the respective trust deed under such Notes (a "**Trust Deed**") in each case in order to approve the proposals (the "**Proposals**") set out in such Extraordinary Resolution, as more particularly described in the consent solicitation memorandum dated 29 May 2023 which relates to the CBOM-24 USD Notes, the CBOM-25 USD Notes or the CBOM-26 USD Notes, as applicable (a "**Consent Solicitation Memorandum**").

Terms defined in a Trust Deed or a Consent Solicitation Memorandum shall have the same meaning herein unless the context requires otherwise.

1. Background

- (A) The extensive sanctions and other restrictive measures, including the full blocking sanctions, have been introduced by, amongst others, the U.S., the EU and the UK against Russia, the Bank and various Russian entities (such as the National Settlement Depository). In addition, and as part of the measures to stabilise and support the Russian financial and currency markets, the Competent Russian Authorities have introduced a permit-based system in respect of payments from residents of the Russian Federation to payees in certain jurisdictions.

Accordingly, due to the Bank having become a Sanctions Restricted Person, the Bank may not be able to repay interest or principal to the Issuer under the Loan and, consequently, the Issuer would not be able to make an onward payment under the Notes in accordance with the original terms of the Notes. In addition, any payment of interest or principal under the Loan made by the Bank or received from the Issuer or the Bank by the Principal Paying Agent will most likely be blocked, delayed or frozen for an uncertain period of time and, consequently, those funds will not be distributed among the Noteholders.

- (B) The Bank assures that:

- (a) notwithstanding the significant costs and expenses it bears in this regard and practical obstacles and difficulties for making payments abroad, it is currently exploring all legal means how to ensure the realisation of equal rights among all Noteholders (both residents and non-residents); and
- (b) it has sufficient financial resources and will duly perform its payment obligations in relation to the Notes subject to all applicable laws and receipt of all required approvals.

- (C) In light of the above, the Bank is seeking the Noteholders' approval of each of the Proposals, as set out in more detail the respective Consent Solicitation Memorandum. The Bank believes that if the Proposals are not approved by the Extraordinary Resolutions, then (i) the ongoing interruptions relating to the clearing and settlement infrastructure may continue to restrict payments under the Notes which is likely to prejudice the rights of the Noteholders; and (ii) the Noteholders will not have a trustee which is fully functioning and which could continue to protect the rights and interest of the Noteholders under the Notes in full.

2. General

Electronic copies of the relevant Consent Solicitation Memorandum and a Voting Instruction can be obtained via application to Limited liability company "Legal Capital Investor Services" acting as information and tabulation agent (the "**Information and Tabulation Agent**") at mkb@lcpis.ru. In order to submit completed Voting Instructions, Noteholders are required to provide to the Information and Tabulation Agent by e-mail at mkb@lcpis.ru Proof of Holding as of the Record Date. Acceptable forms of Proof of Holding are set out in the respective Consent Solicitation Memorandum.

The Voting Instructions submitted by the Noteholders shall remain in full force in case of the Meeting's adjournment and be taken into account at determining the voting results at an adjourned Meeting. Voting Instructions are irrevocable and may not be withdrawn, except in certain limited circumstances where the Bank determines that withdrawal is permitted by applicable law.

The submission by a Noteholder of a Voting Instruction will automatically appoint two (2) employees of the Information and Tabulation Agent each as its proxy to attend the Meeting (and any adjourned Meeting) and to vote in respect of the relevant Extraordinary Resolution in respect of the Notes in the manner specified in such Voting Instruction.

4. Requirements to participate in Meeting

In accordance with Schedule 5 (*Provisions for Meetings of The Noteholders*) of the applicable Trust Deed and Condition 10 (A) (*Meeting of Noteholders*) set out in that Trust Deed, each Extraordinary Resolution shall be passed at a meeting of the respective Noteholders duly convened and held in accordance with that Trust Deed.

Each Meeting of the respective Noteholders will be held via a video conference with access details to be provided by the Information and Tabulation Agent following its satisfaction of the identity of the Noteholders as to their status as the holders of the relevant Notes.

Notice of any adjourned Meeting shall be given in the same manner as this Notice, save that ten days' notice shall be sufficient and such notice shall specifically set out the quorum requirements which will apply when the Meeting resumes.

At any adjourned Meeting, the quorum shall be at least two persons present in person being the respective Noteholders and/or being their proxies or representatives and holding or representing not less than one-quarter of the aggregate principal amount of the respective Notes for the time being outstanding.

If duly passed at a Meeting duly convened and held in accordance with the applicable Trust Deed, the relevant Extraordinary Resolution shall be binding on all the Noteholders, whether or not present or represented at the

meeting and each of such Noteholders shall be bound to give effect to it accordingly. The passing of such Extraordinary Resolution shall be conclusive evidence that the circumstances justify it being passed. The Issuer shall give notice of the passing of the respective Extraordinary Resolution to the relevant Noteholders by publication, *inter alia*, on www.e-disclosure.ru and through a press release on the Bank's website, but failure to do so shall not invalidate such Extraordinary Resolution.
